

**Event: Forrest A. Kessler Walk for Humanity 2006**

This **Sixth Annual National Charity Fundraising Event** will be hosted by the American Society of Women Accountants (ASWA) and the American Woman's Society of CPA's (AWSCPA) at the **2006 Joint National Conference** in Las Vegas, Nevada.

Come join in this charity event that unites all of us to raise funds for a worthy cause! This will be a great time to visit with friends you haven't seen lately as well as make new friends. All you need to bring is yourself and your contribution to the **Leukemia & Lymphoma Society**.

**When: Monday** September 18, 2006 from 6:30 – 8:30 p.m. We are trying to get a flexible start time due to the schedule of conference events.

**Location:** The Walk starts at the Bally's Hotel in the heart of downtown Las Vegas. You will receive instructions at the Walk registration table, located near the conference registration table.

**What to Expect:** We will leave the hotel in small groups and walk to **The Bellagio Gallery of Fine Art located across the street from Bally's Hotel. It will be featuring the exhibit *Ansel Adams: America*.** We will all end up back at the hotel. The Walk will be approximately 1 mile- including your walk through the exhibit. Be sure to bring your camera and take pictures at the historic stops along the way. We recommend casual dress and comfortable shoes and don't forget to wear your Walk t-shirt to indicate your participation in the event!

Participation will be limited to 200 walkers (ASWA/AWSCPA members and non-members). We welcome participation from ASWA/AWSCPA family members and friends in the local community!

**Registration Fee:** Minimum tax deductible donation of \$50.00 (**ALL** of your donation goes to The Leukemia and Lymphoma Society) and includes:

- Free admission to **The Bellagio Gallery of Fine Art!**
- Signature event Las Vegas T-Shirt!
- A raffle ticket for special prizes that have been donated especially for this event!

All of the proceeds from this event will go to **The Leukemia and Lymphoma Society**. This Society is the leader in the fight against the number one disease killer of children. Adult women and men are also victims of leukemia, lymphoma, and myeloma – cancers of the bone marrow and blood.
