

On April 26, 2009, the NJ Affiliate of the American Woman's Society of CPAs will participate in the Komen North Jersey Race for the Cure® in Essex County Branch Brook Park in Newark. The North Jersey Affiliate of Susan G. Komen for the Cure was founded in 1997 on a promise to make a difference to a ten-year-old girl who lost her mother to breast cancer. Since its inception, the Affiliate has invested \$14.5 million in research and local community-based programs for the medically underserved and uninsured.

The Race will raise much-needed funds for research and critical breast health education, screening and treatment programs for uninsured women in our own communities. Seventy-five percent of net funds raised by the Affiliate stays within its nine-county northern New Jersey service region; the remaining twenty-five percent is directed to Susan G. Komen for the Cure Award and Research Grant Program
