

“What is AWSCPA?”

AWSCPA IS THE VOICE OF WOMEN CPAs

It is the only organization devoted exclusively to the support and professional development of women CPAs.

AWSCPA is a strong networking and mentoring organization. Its members help each other by sending business to one another, by helping each other attain jobs and professional appointments, and by mentoring one another in the education and career endeavors.

We also develop leadership skills in our members by giving them the opportunity to participate on our Committees and Board of Directors.

And, we provide stimulating and innovative CPE at our dinner meetings to help fulfill members’ continuing education requirements.

2006 Resource and Referral Guide

**Women CPAs helping Women CPAs
With business referrals, employment advice, professional
Expertise or just for moral support**

Who knows better what kind of business referrals, advice and support a woman CPA is seeking than another woman CPA? Imagine you have 80 girlfriends who are all CPAs, with whom you have dinner several times a year. They know what type of work you do, what kind of career aspirations you have and what you are looking for by way of referrals and/or references. You can IMAGINE the positive impact this would have on your career.

It's already happening this way for the members of our local AWSCPA affiliate. Our network has produced a variety of job referrals, client engagements, promotions, raises and even AICPA Committee appointments! Now we want to share this opportunity with other women CPAs in South Florida.

This Guide will consolidate all your pertinent information and be distributed to over 1500 women CPAs in Dade, Broward, and Palm Beach Counties as well as to our Corporate Sponsors for their reference and resource uses.

\$\$ Cost \$\$

There is NO COST to having a listing in the Guide. However, you must be a member of our local AWSCPA affiliate (See membership application on page 1).
