

2011-2012 Resource & Referral Guide

*Women CPAs helping Women CPAs
with business referrals, employment advice,
professional expertise and moral support*

Who knows better what kind of business referrals, advice and support a woman CPA is seeking than another woman CPA? Imagine you have 80 girlfriends who are all CPAs, with whom you have dinner several times a year. They know what type of work you do, what kind of career aspirations you have and what you are looking for by way of referrals and/or references. You can IMAGINE the positive impact this would have on your career.

It's already happening this way for the members of our local AWSCPA Affiliate. Our network has produced job referrals, client engagements, promotions, raises and even AICPA Committee appointments! We want to share this opportunity with other women CPAs in South Florida.

This Guide consolidates our members' pertinent information and is distributed to over 1,500 women CPAs in Dade, Broward, and Palm Beach Counties as well as to our Corporate Sponsors for their reference and resource uses.

– Member Benefit –

There is NO COST to having a listing in the Guide for members of our local AWSCPA Affiliate. This benefit is only available to our members. *(See membership application on page 2).*

What is ...

AWSCPA ?

AWSCPA is the Voice of Women CPAs

The American Woman’s Society of Certified Public Accountants is the only organization devoted exclusively to the support and professional development of women CPAs.

AWSCPA is a strong networking and mentoring organization. Members help each other by sending business to one another, helping each other attain jobs and professional appointments, and mentoring one another in their educational and career endeavors.

AWSCPA also develops leadership skills in members by giving them the opportunity to participate on committees and as board members.

Our local affiliate provides stimulating and innovative CPE at quarterly dinner meetings to help fulfill members’ continuing education requirements.
